# One Moose a Reality

The changes are scheduled to go into effect on May 1, 2021 and will impact the membership in the following ways:

## For the Supreme Lodge:

- The “Supreme Lodge” and any references to “the Order” will now be referred to as “The Moose.”
- There will be individual title changes for what was previously referred to as the “Supreme Council;” now the Board of Directors. Women will be allowed to serve on the Board beginning May 1, 2021, however, no terminology change will be necessary to make this happen.
- The Board of Directors shall consist of not less than nine (9) or more than thirteen (13) members, including the following five (5) officers, who shall serve on the Moose International, Inc. Board of Directors during the terms of their respective offices: The Chief Executive Officer (Director General); the Junior Past Chairman of the Board of Directors (Jr. Past Supreme Governor); the Chairman of the Board of Directors (Supreme Governor); the Vice Chairman of the Board of Directors (Supreme Jr. Governor); and a Director/Chaplain (Prelate).
- “The Moose” shall be composed of Past Chairmen of the Board of Directors; members of the Moose International, Inc. Board of Directors; officers of The Moose; committeemen of The Moose; Past Lodge Presidents; Past Senior Regents (having received the honor prior to May 1, 2021); and representatives of the member Lodges. Each member shall be entitled to one (1) vote, and except as otherwise defined herein, the majority shall rule.
- No changes at this time to the men’s or women’s higher degrees.

## For Associations:

- The ability to incorporate chapters into an Association is no longer applicable as this function is no longer needed in the “One Moose” Lodge structure. All Moose Lodges (as well as the entirety of their membership) will automatically be members of their local Associations.

## For the Lodge:

- Women will become members of the Lodge automatically on May 1, 2021. Women may become elected to the Board of Officers beginning May 1, 2022; however, qualified women may be eligible or appointed to open positions on the Board or to committees beginning May 1, 2021.
- Individual title changes will occur for the lodge officers, including “President” for Governor; “Vice President” for Junior Governor; “Chaplain” for Prelate and “Past Lodge President” for Past Lodge Governor. Any member, man or woman, may serve in the new positions as long as they are a member of either the Moose Legion or the newly structured Women of the Moose, or join within 60 days,
- All previous honors will transition seamlessly to the new integrated Moose. i.e. Any member receiving the honor of Past Lodge Governor shall enjoy all the rights and privileges of any Past Lodge President of The Moose.

## For the Lodge

- The revised Laws for Moose Social Quarters and Homes (Section IV) eliminates the House Committee; those duties will now be performed by the Lodge's Board of Officers.
- An Executive Session has been added to every Board of Officer's meeting, if necessary, to discuss confidential topics (i.e. personnel matters, legal matters, etc.), including issues previously handled by the House Committee.
- The minimum proposed dues amount for the Lodge will be \$38, although Lodges have the option to set higher dues amounts.

## For the Chapter:

- The Women of the Moose will be structured similarly as the Moose Legion; as an affiliated unit of the new Moose lodge.
- The WOTM will maintain all honors, charitable focus, lower dues and influence.
- Chapters will retain their current assets, without turning monies over to the Lodge.
- The minimum proposed dues amount for the chapter is \$15, although Chapter dues are waived for the first three years of the transition to the One Moose lodge structure.
- Stand Alone Chapters will need to be chartered as a new Moose Lodge although the current WOTM Chapter will still exist.
- Similar to the Moose Legion, women have the option of joining the Lodge without having to join the Chapter.

## One Moose Q & A

Q. When do I pay my dues?

A. Members will receive a dues renewal notice by mail just as they normally do. A current chapter member with an expiration date January through April 30, 20XX will need to pay her ONE Moose Lodge dues in the same month of her expiration date in 2022. If her expiration date is May through Dec 31, 20XX her One Moose Lodge dues will be payable in the same Month of her expiration date in 2021.

Q. What if I am a life member of the chapter?

A. You will also become a life member of the affiliated Lodge on May 1, 2021. You don't need to worry about paying dues to either the Chapter or the Lodge in the future.

Q. Can I be a member of the Chapter but not the Lodge?

A. No. All members must belong to a Lodge. The One Moose concept encompasses all members of the Moose. We are coming together in a stronger, unified unit with equal rights and privileges of membership.

Q. Can I bring my spouse to the Moose if he/she is not a member of One Moose?

A. The Private Policy will remain in effect. The Private Policy can be found in the LOOM General Laws and at the rear of the WOTM Officer's Handbook.

### **Easter Sunday, April 4, 2021**

Due to COVID mandates, we are not able to have an Easter party, but the WOTM will still be handing out Easter baskets to our member's children. Members, there will be a drive-thru 2pm to 4pm. The Easter Bunny and Tommy Moose will be here too!

## A Word from our Governor,

Hey everyone, what a year we have had! We were open and closed 3 different times and are still at only a 50% occupancy but getting back to a “new normal” life. Covid-19 has affected everyone in our lodge, from someone that we know or even one of us to someone we have lost. 2020 will be a year that we will all remember. My thoughts and prayers go out to all the brothers, sisters, and family that we have lost.

We finally had our \$10,000 drawing in February, thanks to everyone for your support. Our Super Bowl party was not as large as we are use to, but everyone had a great time. This year we supported several local businesses by purchasing gift cards for our giveaways. Thanks to everyone for their support!

The Lobster Feed and Prime Rib Dinner was a huge success this year. We almost looked like we were getting back to our normal occupancy. Thank you to Terry, Heather, and all the volunteers, awesome job! Keep in mind that the WOTM will be having a “Drive-Thru” Children’s Winter Carnival/Easter party in April.

It has been so fun seeing everyone come out to our “Mini Pull-tab Bingo”. We have had so much fun and look forward to seeing everyone every Sunday afternoon. Plus, it is a great fundraiser!

On a serious side, nominations for new One Moose board members are now open. The following positions are open; President, Vice President, Treasurer, Chaplin, and 3-year Trustee. Please see the office for a nomination form. Now is the time if you want to have a say in how the lodge works, step up and run for one of these positions. New people and new ideas are always needed.

Even though my term as Governor ends in April, I will be working on my Governors projects when my term has ended. In closing, I want to thank Trish and the WOTM for all they do to help support our lodge, thank you. Also, a big thank you to all the volunteers who are always there when needed and do whatever is needed of them. To all my fraternal brothers and co-workers, what a year it has been, and thank you for letting me be your Governor!

Let us have a great 2021/22 “One Moose” year!  
Fraternally,  
Jamie Miller III  
Governor

Congratulations and thank you to member Gerald Selk who has attained 50 years of service in the Loyal Order of Moose..

**From Dan O’Neal (International Moose Legion Council)**

On behalf of the Moose Legion Council, Our Director Bob Neff and President John Prough, we want to thank each jurisdiction for their donation to the Endowment Fund. Your contributions through the month of Jan 2021 total **\$1,900.00**, which is **\$6.42** per Moose Legionnaire.

Total dollars collected for the Endowment Fund by the “Charity Division” amounts to \$21,637.39. The Grand total from all six divisions amounts to \$149,736.89. At this time last year the grand total was \$178,528.63, so we have some ground to make up.

Obviously, this has been a challenging year, but we remain hopeful in extending our 14-year run of consecutive endowment fund increases. Please consider doing some extra fundraisers or donating a little extra before year’s end to keep our perpetual increases going.

The Endowment Fund Competition “Top 10” standings for the 2020-2021 Moose fiscal year in the category of "Charity" consisting of Moose Legions with 226 thru 300 Moose Legionnaires is as follows:

It’s only \$15.00 a year, see the office or a Moose Legionnaire to join.

## **Administrator Article Continues from page 8,**

Thanks to the Moose Legion committee and the WOTM Chapter #139 volunteers for your dedication on Monday nights even with limited capacity. Your hard work gave us a great Superbowl party.

My thanks and gratitude to the out going Lodge and Chapter officers. Your dedication and leadership made a great year. It was a pleasure working with you.

In this issue you can’t help but notice, the events planned for March and April. These are great opportunities to show prospective new members some of what goes on in our Lodge and become a member. On April 17th our Lodge will have the honor of hosting Supreme Governor Bruce J. Berger. Don’t miss this opportunity to meet our fraternity’s chief presiding officer.

A great amount of work has been done to make our Lodge even better. I personally wish to thank all those wonderful volunteers that made it happen. Thanks to the individuals, the Anchorage Moose Legion committee, Mt. McKinley Moose Legion 51, and all the committees for their monetary donations.

The 2020-2021 Moose year has been challenging to say the least. The worst was for many of us the loss of family and friends. We endured closures, reduced capacity, cancellation of many of our events, yet we are Moose strong.

Fraternally,  
Bruce “BJ” Haas  
Administrator

Our defending circle has been broken, we are saddened by the passing of our brother and extend our deepest sympathies to his families and friends. He shall be truly missed. Adrian Colding II 02/14/21
