Moosehaven, a beautiful 63 acre campus located on the St. Johns River in northeast Florida, has been home to members of the Loyal Order of Moose and Women of the Moose since 1922.

During Mooseheart's first five years, a small number of independent Moose seniors were provided residence at Mooseheart, "The Child City" on a somewhat experimental basis. However, providing a home for both children and seniors on the northern Illinois campus proved impractical. In 1918, Director General James J. Davis proposed to that year's International Convention to find "a home in a warmer climate for the aged members and their spouses.

Supreme Secretary Rodney H. Brandon purchased the historic four-story Hotel Marion and its eight acres, located on the St. Johns River in Orange Park, Florida. He named the property "Moosehaven" and the new residents renamed the hotel, "Brandon Hall." The original concept of Moosehaven was to "organize the residents so that they might help each other and help themselves, and provide from their own energy the major part of the cost of their keep."

Moosehaven was dedicated on October 3, 1922, and the first 20 residents arrived (mostly from Mooseheart) on November 1. During the first six months of operation, over 50 residents were admitted. By 1926, there were 144 residents. Known initially as the "City of Endeavor," Moosehaven residents performed all of their own work and operated a successful dairy and farm. At various times, as many as 500 Moose members resided at Moosehaven.

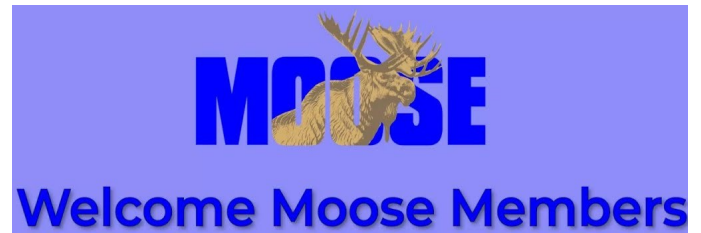

The following incentives/rewards are given to Moose members for sponsoring new members.

Moose Fraternity Extends Deal With Trackhouse & Chastain

Trackhouse Racing announced today that the Moose Fraternity will serve as a primary partner on the No. 1 Chevrolet Camaro driven by Ross Chastain for four races in both the 2024 and 2025 NASCAR Cup Series seasons.

This year marks the fifth Cup Series season the Fraternity has paired with Chastain on the track while using the 30-year-old, Alva, Florida native in membership and charity initiatives away from the track.

“It has been so fun to have a continued relationship with the Moose Fraternity,” said Chastain who is a member of Tice and Shores, Florida, Lodge 1287.

“Several of the members have become like family which is unique when it comes to a partnership. Not only do I have the opportunity to meet members but it’s fun to talk to people about becoming a member of the fraternity. It’s a passionate group that cares about their community and making it a better place.”

“We really appreciate the relationships we have built with Ross and the Trackhouse Racing family these past few years and are thrilled to continue this journey together through 2025. Having Ross as a member and ambassador for the Moose Fraternity is phenomenal. Just like on the track, when he puts on the Moose hat, you can expect the unexpected to happen,” said Moose International CEO Scott Hart.

This Season, Ross will be sporting the red & black color-scheme of the Moose Fraternity car during these four primary races

February 25, 2024 Ambetter Heath 400 at Atlanta Motor Speedway

April 28, 2024 Wurth 400 at Dover Motor Speedway

July 21, 2024 Brickyard 400 at Indianapolis Motor Speedway

November 3, 2024 XFINITY 500 at Martinsville Speedway

The No. 1 Moose Fraternity Chevrolet was the top-selling diecast in 2022 according to Lionel Racing.

Trackhouse and Chastain will continue to amplify the message of the Moose Fraternity to race fans through social media content and select events at lodges around the country in 2024 and 2025.

From the Desk of our Administrator:

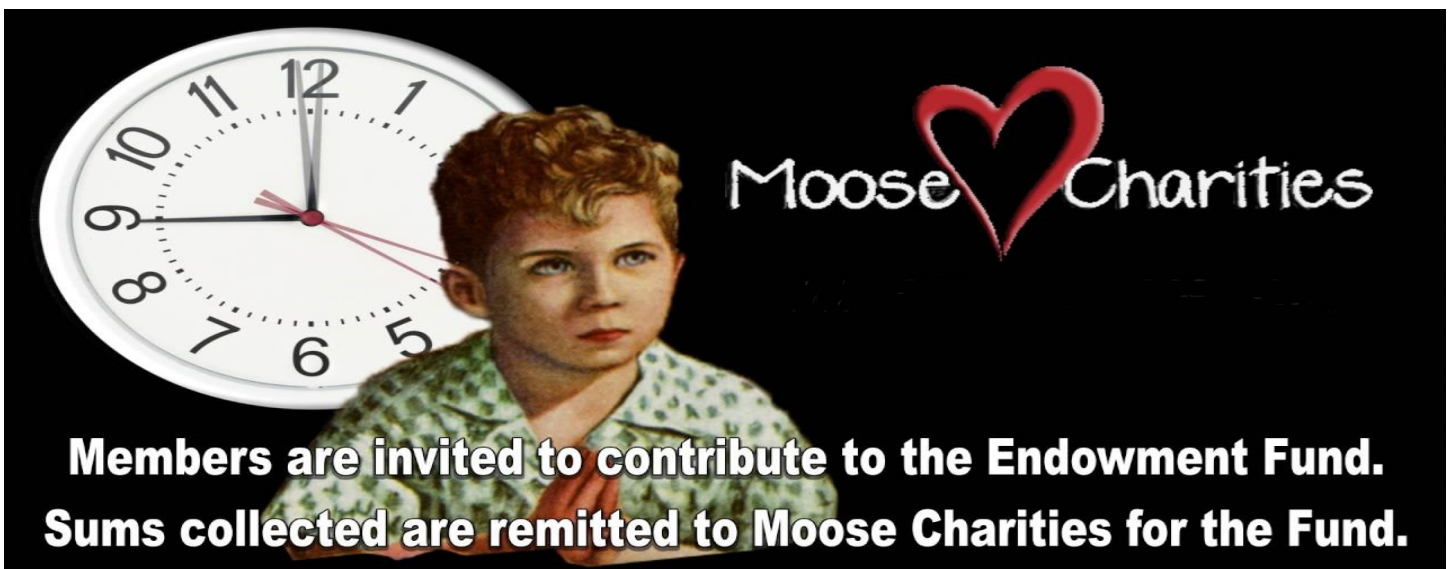

If you've been in the Lodge on a Saturday night or attended a Lodge Meeting, you've probably heard the 9 o'clock Ceremony. I thought I'd take this opportunity to share the history and purpose of the ceremony with you.

After Mooseheart, our Child City & School, was established in 1913, the early leaders of The Moose established the Endowment Fund to ensure that Mooseheart would be protected from any emergency that could arise. Director General James J. Davis established a "penny collection" to be conducted at regular meetings of each lodge. This "penny collection" evolved into the current 9 o'clock Ceremony. The ceremony serves to remind our members of our higher purpose as Moose to protect our children at Mooseheart as well as to ensure the continued availability of the service that Mooseheart and Moosehaven provide.

All funds collected by the Lodge for the Endowment Fund are remitted monthly to Moose Charities. None of the money stays with the Lodge and every donation you make is sent in its entirety to Moose Charities.

In addition to the 9 o'clock Ceremony collections, there are many ways to contribute to the Endowment Fund. In October, each lodge conducts a Cradle Fundraiser and in February a Rocker Fundraiser to boost funds contributed to the Endowment Fund. Many members belong to the Donors' Circle and make regular contributions directly to Moose Charities. You can set up a regular monthly donation at the Moose Charities website (moosecharities.org). Several of our members are members of the League of Guardians by virtue of contributing \$1,000 each year to Moose Charities.

From the desk of the President:

Welcome everyone to the last few weeks of our long winter. Between record snowfalls and the return of colder weather which we had been missing for many years, this past winter has been a memorable one. Thanks to an abundance of snow this year, I managed to destroy last year's snow shovel and break in a new one. We spent so many hours together that I decided to give it a name, Herman, named after my grandfather who could shovel with the best of them. Apparently, it runs in our genes.

With the changing of the season, our sports interests will also be transitioning. After another thrilling NFL season and an overtime Super Bowl victory, I would like to congratulate the Red team and their fans for winning another Lombardi trophy, as well as my condolences for the other Red team and their fans that came ever so close. Maybe one of next year's Super Bowl teams will have different colors; blue and green or silver and black or green and gold perhaps.

The new NASCAR season has begun, and Ross Chastain will once again be representing Moose from around the country racing in the #1 car. For fans of pure speed, the Formula 1 season has returned also. The Boys of Summer take the field at the end of March but be patient; there may be a few games delayed by snow. I was not aware that summer began in March, but I guess in order to play 162 games they have to start early. I miss football already. Hockey fans will be looking forward the Stanley Cup playoffs coming in April and soon after that, with any luck at all, it will be fishing season again. Be sure to come by the Lodge and enjoy the sport you prefer and remember to bring your family members and friends.

In closing I want to thank all of our staff and amazing volunteers who keep the kitchen humming with wonderful meals every week and help make all of our special events run so smoothly. As the saying goes, "Those who can, do. Those who can do more, volunteer." Special thanks also for each of our members, because without you, our Lodge would not even exist. Thank you, everyone.

Fraternally yours,

Mike Douthit

President
